PHYSICIANS TRAINING IN DIVING MEDICINE

THIS LONG-RUNNING COURSE trains physicians to recognize and treat diving medical emergencies. Course educational methodology includes lectures, case presentations, video clips, printed support materials, practical exercises, and Q&A sessions.

Applicants should possess an MD, DO, or equivalent degree. Preference will be given to those applicants who use the training in their geographic areas to enhance the safety of dive operations.

Applicants must pass a diving physical examination to participate in diving/pressure-related activities. Please be sure to fill out the Medical Questionnaire form on the registration page.

CME Hours: For MD/DO or equivalent advanced degree, a Certificate of Continuing Medical Education Credits will be issued for those who complete an online evaluation form.
